What is a Poem?

A poem is words
that dance and rhyme,
Like music that keeps
a happy time.

It tells a thought,
a feeling, or a dream,
In a fun and friendly
little scheme.

Poems can be short,
or long, or both—
They make our hearts
feel warm, you know!

POEMS
for Kids

Dig in the dirt,
plant a seed,
Water it well,
give it what it needs.

Watch it grow,
day by day,

In a garden
I love to play!

I love the gentle raindrops,
Falling softly from above.
They water the garden
and fill the streams,
Spreading sunshine,
kindness, and love.

Listen to the birds,
singing in the trees.
They chirp and tweet
with such delight,
A happy song
carried on the breeze.
It's music for the garden,
morning, noon, and night!

Welcome

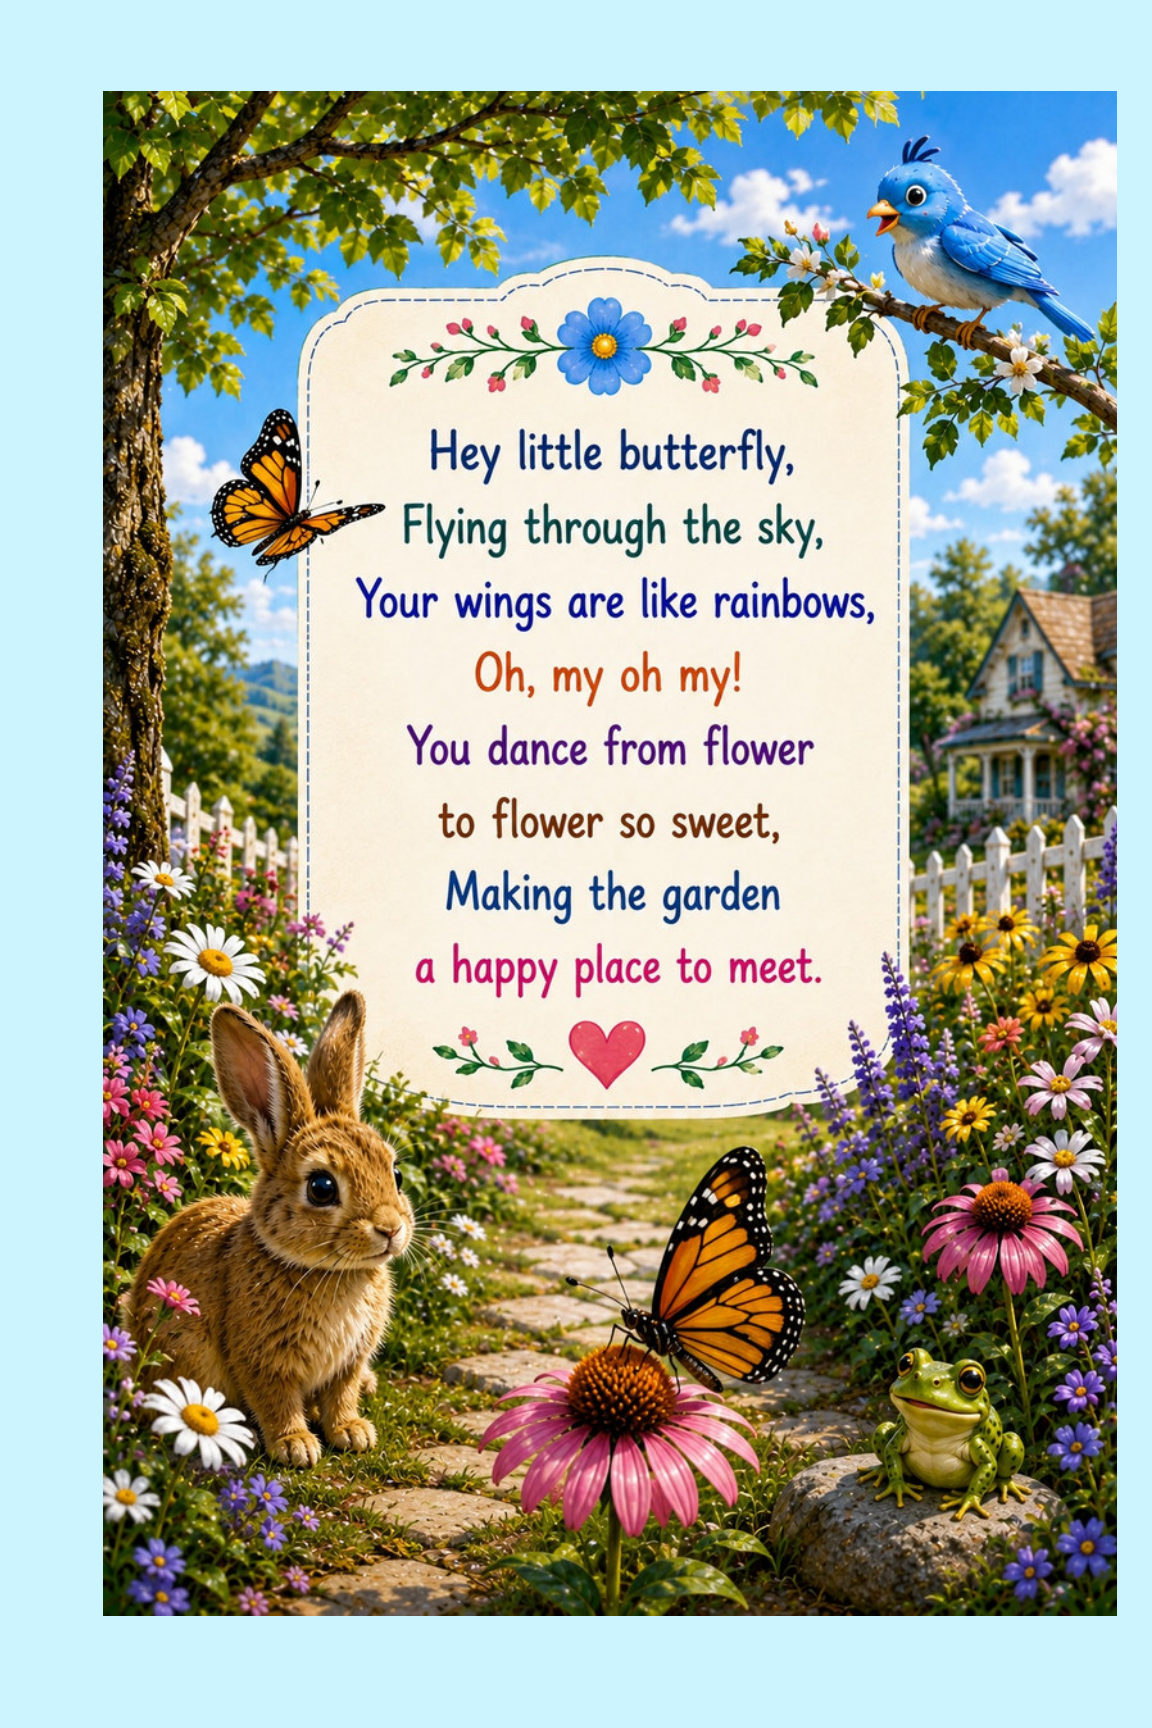

The sun is up,
The day is new,
So many things
for me and you!
Let's smile and laugh
and have some fun,
Because today
is number one!

Look at the flowers,
each one so bright.

Red, yellow, purple,
pink and white.

They grow and they shine
in the warm sun,
Making the garden
so much fun!

Hey little butterfly,
Flying through the sky,
Your wings are like rainbows,
Oh, my oh my!
You dance from flower
to flower so sweet,
Making the garden
a happy place to meet.
